V-180®

virtra.com/v-180/

The V-180® is the higher standard for decision-making simulation and tactical firearms training. Three screens and a 180-degree immersive training environment ensures that time in the simulator translates into real world survival skills.

V-180® SYSTEM FEATURES AND CAPABILITIES

- Fully immersive 180-degree environment
- Real-life scenarios and marksmanship training capability
- Seamless high resolution video
- Debrief and record a trainee's performance, judgment, and reaction time
- Multi-directional surround sound for unsurpassed audio realism
- Arsenal of recoil kits available for most firearms
- One year "Best in the Industry" warranty with ability to report service related issues 24/7 via email, online, or voice mail

"I would highly recommend this system to other chiefs in other areas and make it part of their training course."

Ellis C Jackson Chief of Police, Thomasville Georgia
