The V-300® is the higher standard for decision-making simulation and tactical firearms training. Five screens and a 300-degree immersive training environment ensures that time in the simulator translates into real world survival skills.

**V-300® SYSTEM FEATURES AND CAPABILITIES**

- Fully immersive 300-degree environment
- Real-life scenarios and marksmanship training capability
- Seamless high resolution video
- Debrief and record a trainee’s performance, judgment, and reaction time
- Multi-directional surround sound for unsurpassed audio realism
- Arsenal of recoil kits available for most firearms
- One year “Best in the Industry” warranty with ability to report service related issues 24/7 via email, online, or voice mail

“The V-300 shows how quickly judgment decisions have to be made, and if they are not made immediately and quickly, lives can be lost. You can’t put a dollar value on that or being prepared enough for the surprises that could be around every corner.”

Jason Grunwald
Commander of USMS Great Lakes Regional Fugitive Task Force
